6 **1. President's Report:**

7 June 2008

8 Dear USJA Member:

9 The time for the annual USJA Junior National Championships is now upon us. This year we will be
10 convening in Boston where our former World Champion Jimmy Pedro will be our host. I am looking
11 forward to a great event.

12 This is the first time that the USJA Junior National Championship has been held in Boston. Our
13 philosophy has always been to move the venue around the country so that more people would have the
14 opportunity to attend this prestigious event. This sort of change enables us to expose more people to a
15 national level judo event and the ability to interact with the leadership of the USJA.

16 Change is also occurring in judo at the international level with much the same goal in mind – finding ways
17 to expose more people to judo and grow our sport. The International Judo Federation has elected a new
18 president, Mr. Marius Vizer from Austria. Under this new administration several radical changes are
19 being considered. Now, before we get too specific, I must spell out a few caveats. First, no official

1 decisions have been made and, second, policy forbids any rule changes during an Olympic year. So
2 these changes are just being discussed – not implemented. That said, I thought you might be interested
3 in what was being discussed.

4 The proposals under consideration are radical. The scores of waza-ari and koka would be eliminated –
5 leaving only yuko and ippon as the positive scores. The number of shidos required to disqualify a player
6 would be reduced from four to three. The length of time necessary in a hold down for ippon would be
7 reduced to 20 seconds. Why would the IJF consider such things? Their rationale is that these changes
8 would make our sport easier for spectators to understand and would serve to speed up the tempo of the
9 match. Speeding up the tempo makes it more exciting to watch – something that could increase
10 television coverage.

11 I know that many of us had mixed emotions about the recent television coverage of the Olympic trials –
12 yes, they showed two matches (which was two more than anytime before), but it was only two in an hour
13 long program.

14 Another change going on is at the national level between the USJA and USJF. In the past two years the
15 two organizations have decided to put aside any past differences and identify areas in which we could
16 combine resources to further judo. We readily acknowledge that USA Judo is our national governing
17 body and is measured by their ability to produce international champions. We felt that it our responsibility
18 to focus on growing judo at the grass roots level – where every international champion has started and
19 where there are thousands of recreational players. And grow we have! Our USJA membership numbers
20 continue to increase and with it the ability to do more for our members. We have teamed with the USJF
21 on such activities as a joint Regional Training Center in Southern California, the Winter Nationals, co-
22 hosting the Junior Nationals, and conducting a High School National Championship. There is more to
23 come – please stay tuned!

24 Yours in judo,
25 James R. Webb
26 President

MIKE SZREJTER, BOARD OF DIRECTOR MEMBER
GENE FODOR, STANDARDS AND ETHICS MEMBER
RYOHEI KANOKOGI, CHAIRMAN NY PROMOTIONS COMMITTEE

MEETING WAS ADJOURNED AT 7:30 PM

Submitted by: Gary Monto
Secretary, USJA Promotion Board

A motion was presented by Director Szrejter and seconded by Director Contardo to approve the promotions as presented by Chairman Bowles. Upon call members of the Board voted as indicated below.

	Yes	No	Abs		Yes	No	Abs		Yes	No	Abs
Jim Webb	√			AnnMaria DeMars		√		George Weers		√	
Lowell Slaven		√		Virgil Bowles	√			James Pedro		√	
Peter Contardo	√			Michelle Holtze	√			James Bregman		√	
Robert Spraley	√			Mike Szrejter	√						

Dr. DeMars objected to the promotions on the grounds that the Board of Directors has been promised a comprehensive review of Promotion Board practices, procedure and applications. She also objected to the promotions because believes being promoted to high rank while being a member of the Promotion Board is unethical.

4. USJA Women's Committee: Ms. Deborah Fergus, Chairperson: No report was presented.

5. USJA Clinics and Camps: Mr. Gary Monto, Chairperson

Chairman Monto reported that the 2008 North Carolina Judo camp netted \$3800 in promotion and certification fees.

6. Kata Judge Certification Committee: Mr. Gary Monto, Chairperson

Chairman Monto reported that 22 Kata Judge Certifications have been awarded since last meeting of the USJA Board of Directors.

7. USJA Awards Committee: Dr. Ronald Allen Charles, Chairperson (See 06-28-08Addenda.pdf)

8. Publications Committee: Ms. Constance Halporn, Chairperson

Report of the Publications Committee

American Judo magazine is on track for four times a year publication. It would be nice if more people submitted articles and/photos, but thanks to the efforts of Ronald Allan Charles, we do get a range of articles for each issue. If each Board member would write one article each we'd certainly have quite a range to print.

Martha Helmers has agreed to continue as Editor and Designer. Although not a "Judo person" she has been enjoying the articles and learning a bit about Judo.

I am submitting an invoice for \$ 600.00 for her annual honorarium.

We are still getting requests for "Throw Like a Girl" posters. I am still providing the posters to the USJA at no charge. This allows USJA to keep 100% of the revenues for the Women's committee.

The Junior Promotion handbook was scanned, and the OCR and corrections turned out to be much more extensive than I expected. All of the photos will have to be re-shot as none of the old ones are available.

I was told at the USA Judo Nationals in Virginia that there was some consideration by members of the Executive Board to go back to the "old" handbook, as the current one is too convoluted for people to use, and our members are not following it.

I spoke to President Webb later that week who suggested that I wait until this meeting to get a definitive answer- I have spent a tremendous amount of time on this already and do not want to be in a position of trashing a completed book because of a change of direction.

I want to commend Anna Maria DeMars for her fine work on Growing Judo. Together we have two terrific publications to our members.

On that note, I received a suggestion from a member who does not use the internet. Would it be possible copy a short list of accomplishments of the USJA for the year on the back of the membership renewal form?

There are still people in this country who for one reason or another do not have access, or chose not to have access to a computer and the internet. This would be a nice way to reach out to those members as well.

There has been some discussion of re-vamping the USJA merchandising program. Everyone realizes that having a table at major events would give us good exposure. There are several issues—

1 who will be responsible for covering the table, what merchandise should we have at the table, and the
2 costs involved in doing this. If the Board wants to look into this seriously, I will try to create an inventory
3 of what we currently offer, along with some suggestions for new items.

4 Respectfully submitted

5 Constance H. Halporn

6 During discussion Ms. Halporn expressed concerns regarding redundant efforts in updating the USJA
7 Senior Handbook. COO Goltz provided Ms. Halporn with revisions to the Japanese of both handbooks as
8 well as the exams prepared by Jin Iizumi. President Webb assigned the revision project to Ms. Halporn
9 and requested that she work closely with COO Goltz to accomplish the objective.

10 Ms. Halporn recommended 'branding' the term 'Grassroots Judo', presented potential logos for such
11 brand name and requested the Board to select a choice. She also proposed sale of 1GB Flash Drives
12 through the USJA merchandise program.

13 **9. Development Committee: Dr. AnnMaria DeMars, Chairperson** (See 6-28-
14 08Addenda.pdf)

15 **10. Coaching Committee: Mr. James Pedro, Sr., Chairperson**

16 Mr. Pedro expressed concern over a lack of participation by Coaches during recent Coaching Certification
17 events. He also reiterated the need for Coaches to have a working knowledge of the principles and
18 practices of competitive Judo. Mr. Pedro stated the obvious fact that; until Coaches understand the latest
19 techniques, tactics and maneuvers, American Judo cannot progress.

20 Mr. Pedro further commented that there had been an increase in participation of Grass Roots coaches
21 during recent coaching events. He expressed concern that some USJA board and committee members
22 seemed to prefer the easier route of USA Judo certification and felt this was not the commitment to
23 quality that should be demonstrated by USJA leaders. He noticed this when certain individuals registered
24 as a coach for the tournament as a USJI certified coach. He believes we should support our own
25 organization and further, that one-day clinic with highly-qualified instructors is a minimum reasonable
26 requirement for coach certification, and that those who elect a two-hour lecture format with no mat time
27 are not receiving the level of rigor the USJA strives to exemplify.

28 **11. Referee Certification Committee: Mr. Rick Celotto, Chairperson**

29 **UNITED STATES JUDO ASSOCIATION REFEREE CERTIFICATION COMMITTEE REPORT**

30 **JUNE 17, 2008**

31 **Overall**

32 The active USJA member National Referees and higher continue to conduct referee clinics and Referee
33 certification in many parts of the Country.

34 **Referee Certification Fee:**

35 The fee for Referee Certification Examination has been \$10.00 for the past several years. I recommend
36 that the fee should be raised to \$15.00.

37 **Joint USJA-USJF Reciprocity for Referee Examination and Certification**

38 **(Referee Examiner Privilege)**

39 This is a matter discussed by Joan Love with myself and through Joan made Anna Maria deMars aware
40 of the matter in providing easier access to USJA Referee Certification in some areas. Due to a number of
41 matters (my schedule) I was unable to speak directly with Anna Marie DeMars, but present this before the
42 Board for their consideration.

1 I have in the past allowed USJF and USA Judo National Referees and higher who were conducting an
2 examination at an event to certify USJA members to USJA Referee Local or Regional 1, Regional 2 or
3 Regional 3 level referee.

4 This was on a case by case basis and with prior knowledge. I sent the application, current written exam
5 and a brief outline of the examination process.

6 Since there is an effort for more cooperation between the USJA and USJF with the coaching program, we
7 probably could do the same thing with the referee certification program.

8 The USJA Referee Certification Program is a National Program. That is, there is one program and one
9 process for the certification of Local, Regional 1, Regional 2 and Regional 3 level referees.

10 The USJF I believe has a Yudanshakai by Yudanshakai program. This would require the local USJA
11 member who is a National Referee to have access to the Yudanshakai's Referee levels, Application and
12 written exam and procedures and fees required. Details need to be worked out.

13 Through the offices of the President, Executive Director or the Boards designate contact could be made
14 with Neil Simon (President-USJF) to look into the possibility of such a program coming to fruition.

15 I have been made aware in some States that may be USJF dominated, that a USJA member interested in
16 taking a Referee exam is required to join USJF and take their exam or join USA Judo and take their
17 Exam.

18 With this Examiner Privilege Program, a USJF member who is a National or higher may have permission
19 when requested to conduct a USJA referee certification along with their own USJF certification.

20 I believe initially that this should be on a permission first basis. That way I can send the Application,
21 Exam and procedures to the USJF Examiner ahead of time. In turn, the appropriate USJF Yudanshakai
22 could send the USJA member who is a National Referee the USJF Application, Exam and Procedures.

23 This is necessary to maintain the security of the Written Examination. Only authorized examiners should
24 have access to the Written Examinations.

25 Of concern, is the impinging upon regional authorities. Where there is a strong USJF presence and a
26 well developed certification program would generally look unkindly to an individual coming into their area
27 and certifying USJF members to USJF Referee Certification Levels.

28 Where some of us understand the proper etiquette and protocol of conducting such activities in some one
29 else's back yard, I can see this being a problem and could cause unnecessary friction if not properly
30 discussed.

31 For a positive example, I teach a week long referee course at a Judo Camp. I can only offer USJA
32 certification and USA Judo certification. It is the candidates choice. As I am not a USJF member I cannot
33 certify USJF. Yet on many occasions I have had USJF members request certification but was unable to
34 accommodate unless they became a USJA member or USA Judo member.

35 This Referee Examiner Privilege could alleviate this problem. The Examiner whether USJA or USJF
36 would not have to be a member of the other organization.

37 The details need to be worked out and each Yudanshakai has their own program, exams, applications
38 and fees. This program may work in some areas and not in others.

39 This program will not help lots of members but will provide some comfort for those USJA members in
40 areas that do not have USJA member National Referees, but do have USJF member National referees.

41 Report respectfully submitted,
42 Richard Celotto, Chairman
43 USJA Referee Certification Committee

44 **12. Collegiate Judo: Mr. Tom Crone, Chairperson - No report was presented**

13. Jujitsu Committee: Mr. Kenneth Nazemetz, Chairperson - No report was presented

14. Tournament Committee: Mr. Lowell Slaven, Chairperson - No report was presented

15. Technical Officials Certification Committee: Mr. Charles Schweitzer, Chairperson

Mr. Schweitzer reported that the Technical Officials Certification Program remains on program with steady progress toward completion of a manual. Mr. Schweitzer also expressed concern over certificates from the Central Office. Executive Office Manager Davis assured Mr. Schweitzer that the certificates are in process.

A motion was presented by Director Holtze and seconded by Director Contardo to approve Committee Reports, with the exception of the Promotion Board, which had been acted upon, as presented. Upon call members of the Board approved the motion unanimously and the Chairman declared the motion carried.

SECONDARY MEMBERSHIP

Motion: A motion was presented by Director Bregman and seconded by Director Dr. DeMars. That the United States Judo Association (USJA) enter reciprocal agreement and offer secondary membership to the United States Judo Federation (USJF) and USA Judo through registration procedures as established by the USJA Central Office. Such registration procedures shall be reviewed and approved by the USJA Board of Director of Directors as necessary. Fees for such secondary membership shall be established in collaboration with USJF.

Upon call members of the Board approved the motion unanimously and the Chairman declared the motion carried.

RISING STARS TRUST AGREEMENT

1. Establishment of the Rising Stars Trust Fund that will enable the USJA and USJF to solicit and administer funds for the purpose of assisting up and coming athletes at the grass roots level. The fund will be administered by five trustees - the USJF Executive Director, the USJA COO, the Directors of development of the USJA and the USJF and an attorney.

That Robert Brink, Esquire, create a Rising Star Trust Agreement to meet the following parameters:

- A) The purpose of these funds is for development activities jointly sponsored by the USJA and USJF. The primary purpose of this fund will be to support teams to international training camps and tournaments co-sponsored by the USJA and USJF. Additional co-sponsored development activities may be supported by these funds as determined by the trustees.
- B) A procedure for disbursement of funds, recording and accounting for donations will be written by the Chief Operating Officer of the USJA, Gary Goltz, and the Executive Director of the USJF, Robert Fukuda, with consultation with Mr. Brink to insure that these meet all IRS requirements for 501 c 3 federal tax exempt & state non-profit status.
- C) The number of trustees will be five, with two USJA representatives, two USJF representatives and one independent trustee;
- D) That the USJA representatives be Gary Goltz and Dr. AnnMaria de Mars;
- E) That USJA endorses Dr. Martin Bregman as independent trustee.

Upon call members of the Board approved the motion unanimously and the Chairman declared the motion carried.

2) Review of current Background Screening Requirements: USJA Standards and Ethics Committee

Chairman Contardo reported that the Background Screening process is functioning with prodigious efficacy.

F. New Business:

1) Joint USJA and USJF Junior National Championship

A motion was presented by Dr. DeMars and seconded by Director Weers to forge an agreement between the United States Judo Association and the United States Judo Federation to conduct joint USJA and USJF Junior National Championship. The USJA and USJF will hold ownership of the event on alternating years with the events being branded as a joint venture.

During discussion COO Goltz reminded the attendees that the Winter Nationals will be a joint USJA and USJF tournament, which will be conducted under the auspices of Grassroots Judo.

Upon call members of the Board approved the motion unanimously and the Chairman declared the motion carried.

2) Membership Fees: Dr. DeMars

The appended motion was presented by Dr. DeMars and seconded by Director Contardo.

Motion: In an effort to meet rising cost on all fronts and given that the United States Judo Association (USJA) has not instituted a dues increase for several years and acting on the fact that current USJA membership fees do not cover expenses per member, it is moved that;

Beginning on January 1, 2009 annual membership dues in the United States Judo Association be increased from \$40 to \$45

Upon call members of the Board voted as indicated below and the Chairman declared the motion carried.

3) Sustaining Life Membership Scale

A motion is presented by Director Weers, that, in recognition of the prodigious generosity demonstrated by certain higher level donors, that Sustaining Life Membership (LM) donations be assessed in accordance with the level at which a Life Member has donated. Such assessment scale is as follows.

Donation Level	Annual Sustaining LM	Donation Level	Annual Sustaining LM
Up to \$999	\$30	\$5,000 to \$9,999	\$15
\$1,000 to \$2,499	\$25	\$10,000 to \$14,999	\$10
\$2,500 to \$4,999	\$20	More than \$15,000	Free of Charge

The motion received no second.

1 **4) Requirements for Eligibility for Services and Privileges of USJA Members and**
2 **Clubs: Dr. DeMars**

3 Moved that;

- 4 1) All coaches, board members, promotion board members and committee members MUST have be
5 a current annual member of the United States Judo Association or be current as a sustaining Life
6 Member of the Association.
7 2) No person shall be eligible to vote in the election of US Judo Association Directors who is not a
8 current annual member of the United States Judo Association or be current as a sustaining Life
9 Member of the Association.
10 3) Promotion applications shall not be accepted or processed if the recommending signatory is not a
11 current annual member of the United States Judo Association or be current as a sustaining Life
12 Member of the Association.
13 4) USJA Clubs with fewer than five (5) members who are current annual members of the United
14 States Judo Association or current as a sustaining Life Members of the Association, shall not be
15 eligible for services such as, but not limited to, club rosters and rank promotions.

16 The motion was seconded by Director Weers.

17 The above stated motion was withdrawn due to need of a Bylaws amendment.

18 **5) Conflict of Interest**

19 As an established and active member and committee chair, I am concerned about the practice of allowing
20 committee and Board members to hold fiduciary positions in more than one Judo organization.

21 Recently, USA Judo decreed that no person who is responsible in any funding capability be allowed to sit
22 on the Board of another Judo organization notably because of the perceived impropriety or the potential
23 for funds being mishandled.

24 Given the potential for doubt, and the larger potential for legal liability, I wish to place the following motion
25 on the agenda for the forthcoming USJA National Meeting being held this June, 2008 in Boston, MA:

26 "No member of the USJA Board of Directors, nor any member of USA Committee with fiduciary
27 responsibilities to either raise funds for their committee or the USJA, or distribute funds raised by the
28 USJA, may simultaneously have a position with equal fiduciary responsibilities with another Judo or
29 Jujitsu organization".

30 Respectfully submitted,
31 Constance H. Halporn

32 A motion was presented by Director Bregman and seconded by Director Holtze to adopt the Conflict of
33 Interest guidelines as proffered by Ms Halporn. Upon call members of the Board voted as indicated
34 below.

35 Upon discussion the motion was withdrawn by Ms. Halporn for editing and presentation at a later date.

36 **6) Cooperative Ethics Agreement**

37 **Cooperative Ethics Agreement**

38 This agreement between United States Judo, Inc., dba USA Judo, United States Judo Association, Inc.
39 (USJA) and United States Judo Federation, Inc. (USJF), on this _____ day of _____
40 _____, 2008, upon the consideration of the mutual promises contained here in agree as follows:

41 Whereas, USA Judo is the national governing body of the sport of judo in the United States of America;

42 Whereas, USJA and USJF are the two largest grass roots Judo organizations in the United States of
43 America;

Whereas, each organization has adopted a screening and ethics policy for their respective organization;

Whereas, each organization desires to protect its members from persons engaged in criminal conduct, abuse or harassment, or unethical conduct;

Whereas, such persons can and do move from one organization to another;

Now therefore it is agreed as follows:

- Each organization will recognize the screening decisions of the others so that the organizations do not need to do multiple screenings. A Failure of one is a failure of all and a pass of one is a pass of all.
- Disciplinary actions of one organizations will be communicated to the others and include the charges and the discipline action taken, unless such is the subject of any confidentiality restrictions.
- Duly imposed disciplinary actions of one organization will be honored by the other two organizations, except on a case by case basis if in order to comply with any applicable law, rule or requirement to which an organization is subject, including The Ted Stevens Olympic and Amateur Sports Act and the Bylaws of the United States Olympic committee.
- Each organization will recognize the United States Olympic Committee's Due Process Checklist as a minimum due process standard for disciplinary actions within their respective organizations. Said Checklist is hereby incorporated by reference.
- All testimony take during any hearings shall be taken under oath.

The person signing this agreement has the authority to bind his or her corporation.

Building Friendships and Better People Through Judo

AWARDS COMMITTEE REPORT

To: Board of Directors
From: Chairman, Awards Committee
Date: June 5, 2008

In addition to our report indicating recent inductees to our Hall of Fame, I wanted to clarify what we mean by "Coach of the Year." When I served as Vice Chairman of this committee under leadership of Dr. Martin Bregman, the Coach of the Year was the person who had produced the best player, the biggest champion. For example, if someone produced an Olympic medalist, that coach was honored.

Some years later our committee's thinking on this expanded to include things a club instructor would do, such as register USJA members, attend/host/teach at camps and/or clinics, teach kata, serve on committees, publicize judo, as well as produce competitors. So we shifted away from choosing champion-producers. We also expect our Coach of the Year to exhibit good moral character and have been a sustaining life member for a long while, showing loyalty to the USJA. Many of these qualities are hard or impossible to measure, of course, and each year we agonize over many fine candidates' names in our selection process. Some may have experienced their shining years a bit earlier than the year we make the award, too.

Part of the rationale for our expanded focus reflects the fact that many of our members and clubs practice judo for recreation and have no interest in competition or for other reasons never make it to prime time play. Changing our thinking about this allows our Hall of Fame to recognize those who work in the trenches to build judo but who don't necessarily achieve headlines by producing champions.

We have considered changing the title Coach of the Year to Instructor of the Year or even Coach/Instructor or Sensei of the Year. We discuss such things, even considering eliminating the position altogether because of its subjective nature.

We work hard to keep politics out of our selection process. Our other awards are based on objective criteria. However, we are thinking it best at this time to keep the honor as it is, Coach of the Year, but we wanted our Directors to understand why some of our selections may not be "famous" to others. As always, we appreciate your support of our efforts.

We have discussed other categories that we ask you to consider. We see a need for recognizing those who have excelled or given greatly to our USJA in terms of service and/or accomplishment. We might call this a Lifetime Achievement or Lifetime Service or Lifetime Achievement/Service Award. Recipients could be well past their prime. Of course such awards should not be based on political reasons or favoritism, and we think the Board of Directors should select worthy recipients. Our Awards Committee would be

pleased to suggest names of those whom our USJA might accordingly honor. There would not need to be a limit for such awards, though we should consider the award a one-time honor, as we do with current National Award honorees to the Hall of Fame.

We could design a table/box to include somewhere in our Hall of Fame for this category. And we could hold down costs by issuing certificates or present engraved plaques as we do for our National honorees. We recommend plaques. There would not be many such awards, perhaps a couple a year, so costs would not be high.

We have in the past occasionally honored individuals in our Hall of Fame for earlier years, plugging them into vacant slots. Not many vacancies remain. Our suggestion of this Lifetime Service Award could honor individuals who have worked hard for judo, but not as judoka. We are not thinking of such awards to honor the judo mom who helped with a tournament or the car dealership that donated refreshments to table workers at the nationals. Tournament directors can show gratitude locally for these efforts and contributions. We don't want Charleston Chevrolet in our Hall of Fame category of Lifetime Service to Judo. We are thinking about those who over time make tremendous contributions to our programs, camps, and other operations.

Another idea we would like the Board to consider is an award for Ambassador of Judo. This award could honor those who have taught judo and/or jujitsu extensively abroad, thereby spreading USJA goodwill.

Below are our National Awards Hall of Fame inductees, already posted on our Hall of Fame. (A couple of name corrections have been made on the website that are not reflected below.) You have already seen this list. By the time you read this, most National Awards will have been presented or sent. We seek to present National Awards whenever possible, in places where we can maximize publicity for our organization. The State Awards already have been mailed.

Our committee always appreciates your speedy approval of our recommendations so that we may implement the awards process in timely fashion.

July's three-day Elite Technical Training Camp following our USJA Junior Nationals will be free to our State and National honorees. We ask that you assist us in seeking sponsors willing to give things or discounts or services to our honorees. Anything that costs us little or nothing but that adds value to our awards is good.

We have the following categories for State Awards:

State outstanding junior male competitor
State outstanding junior female competitor
State outstanding senior male competitor
State outstanding senior female competitor
State outstanding masters male competitor

State outstanding masters female competitor
State outstanding junior male kata team
State outstanding junior female kata team
State outstanding senior male kata team
State outstanding senior female kata team
State outstanding mixed kata team

	2005	2006	2007
States participating:	24	25	27
Number of honorees:	59	107	100
Candidates not selected:	10	20	27

From the final listing of states, players, categories, and coaches, I removed blank rows and states not participating. You will notice that we honor coaches by listing their names next to their players. Coaches enjoy this recognition, though they receive no certificate or free training camp entry.

We thank you for your continued support of our program. We encourage you to recommend players for State awards from your club late this year or early next, before the March 31, 2009 deadline, for 2008 awards.

In summary, please consider the above suggestions and let me know if you want to:

Have a Lifetime Service and/or Lifetime Achievement Award whose recipients y'all would select?

Put these names in our Hall of Fame in a category for that award?

Have an award for Ambassador of Judo?

If so, issue plaques? Or certificates? I would be happy to design certificates if you choose that as an award.

Respectfully submitted,

Ronald Allan Charles

USOC Due Process Checklist

The Ted Stevens Olympic and Amateur Sports Act (TSOASA) requires that an athlete have a hearing before being declared ineligible [§220522 (a)(8)]. The USOC recommends the following be included in such a hearing:

- Notice of the specific charges or alleged violations in writing, and possible consequences if the charges are found to be true;
- Reasonable time between receipt of the notice of charges and the hearing within which to prepare a defense;
- The right to have the hearing conducted at such a time and place so as to make it practicable for the person charged to attend;
- A hearing before a disinterested and impartial body of fact finders;
- The right to be assisted in the presentation of one's case at the hearing, including the assistance of legal council, if desired;
- The right to call witnesses and present oral and written evidence and argument;
- The right to confront and cross-examine adverse witnesses;
- The right to have a record made of the hearing if desired;
- The burden of proof shall be on the proponent of the charge, which burden shall be at least a "preponderance of the evidence" unless the NGB requires or provides for a higher burden of proof;
- A written decision, with reasons therefore, based solely on the evidence of record, handed down in a timely fashion;
- Written notice of appeal procedures, if the decision is adverse to the person charged, and prompt and fair adjudication of the appeal.
